RESIDENCY PROGRAMS

INCLUDED WITH EACH TOUR

Guerrilla Girls On Tour bring the art of theatre to a diverse audience through participation in a variety of residency programs. These include:

FROM ATTITUDE TO ACTION -- WORKSHOPS:

Poster making and grass roots activism
Mask making and performance

MAKE A NOISE -- MASTER CLASSES

Ensemble and Street Theatre Techniques
Teen Workshops

All workshops are appropriate for anyone who wishes to explore developing their creative potential and learning about using performance, behavior and communication as a way to build a bridge between communities. We have led workshops in many settings with many diverse groups from universities and high schools to museums and community centers; from professional performers and teachers to young artists, teens and youth groups.

COLLABORATIONS: Guerrilla Girls On Tour works with local community members on special projects that culminate in the creation of visual works and performances. Collaborations take anywhere from 1 to 3 weeks.

GALLERY EXHIBITS: Guerrilla Girls On Tour's famous visual works are available for gallery exhibits.
